

Tonica Grade School FOUNDATION

The primary purpose for this foundation is to provide enrichment programs and materials to enhance educational opportunities for students attending Tonica Grade School District #79. This foundation is able to select educational projects, activities, or purchases for funding which are not part of the district's regular operating budget.

The foundation has supported many worthwhile projects in the past few years such as:

- Social Thinking Curriculum
- Math Manipulatives
- Enrichment Material for Language
- Music Staff White Boards
- iPad apps for Math and Science
- Junior High Science Lab Materials
