

PTC NEWS

New members always welcome!

Open House

Open House was on Monday, 9/13/21. The PTC donated 3 raffle baskets.....congrats to our winners! A meeting was held after the Open House. Anyone interested in joining can contact Rikki Kinsella.

Fall Fundraiser

Be on the look out for our annual Fall fundraiser of Fannie May chocolates. The sale is set to begin on 10/5/21 and will run for 2 weeks. In November we will also be doing a fundraiser to Garzanelli's Supper Club. They have generously offered to partner with us and give us a donation based on how many tickets we sell for chicken and spaghetti dinners. More info to come.

Amazon

Did you know that PTC has an Amazon Smile account? All you have to do is set your Smile account to "Tonica Parent Teacher Community Group" and shop away. We earn 0.5% on all qualifying purchases through the site.

Welcome TGS families!

We hope everyone had a great summer break and are adjusting nicely to the new 2021-2022 school year.

PTC has put up a "Bee Hive" on the wish wall. Look for it when you enter the school on the right hand side. Pick a bee off the hive and donate to our teacher's classroom. Take as many as you wish and return the bee with the donated item to the school.

New this year, the teachers have created Amazon Wishlists! We have posted the links on our Facebook page and they are also linked on the school's website as well. Let's help them out by getting some things off of their lists.

We appreciate your generous donations!
